Dear Hon. Alexander B. Grannis,
Commissioner
Department of Environmental Conservation
625 Broadway
Albany, NY 12233-0001

We want Responsible Natural Gas Drilling. We willingly signed this petition, and respectfully ask for the New York State Department of Environmental Conservation to expedite the Environmental Impact Statement (EIS).
We appreciate the prudent considerations associated with the Natural Gas Exploration in New York State.
We are asking for the Department of Environmental Conservation to be transparent regarding the status of the (EIS and to communicate to the people a definitive time frame for the completion of the Environmental Impact Statement (EIS).
We believe the future of Exploring for Natural Gas in New York State is a promising one. We want Natural Gas Drilling and we are ready to have the (EIS) released.

If you agree or would like to help print this form out and collect signatures.
